

Wymondham CE Primary School

Primary School P.E. and Sports Funding Expenditure

2022-2023 and Impact Report 2021-2022

Sports Premium is a specific allocation of funds, additional to main school funding which the government believes is the best way to improve provision of physical education and sport in schools.

Vision: All pupils leaving primary school physically literate and the knowledge, skills and motivation necessary to equip them for a healthy lifestyle and lifelong participation in physical activity and sport.

Objectives:

- 1) To provide high-quality PE and sport in Primary School.
- 2) To inspire pupils and create future sporting pathways.
- 3) Ensure children have knowledge, skills and motivation to lead a healthy lifestyle.

Key outcome indicators:

- 1) The engagement of all pupils in regular physical activity.
- 2) Broad experience of a range of sports and activities offered to all pupils.
- 3) Increased participation in competitive sport.

Below are the details of our Sports and P.E. funding allocated for 2022-2023, how it will be spent and how the impact will be measured on the children and staff at our school:

NB Sports Funding for 22/23 is £16,320

Funding Allocated	Spending Details	How the Impact will be measured	Intended Impact
£2500 Specialist funding	Specialist Teachers employed to enrich PE/sports and dance	Feedback from staff / pupils Governor visits Competition results Out-of-school club take up of sports Assessments / reports	*Effective feedback and advice to staff *100% of children are involved and focussed during the PE sessions *Activities are well matched to pupil abilities to engage both boys and girls *Learning behaviour is excellent in all sessions

Super Star Sport Sports coaching and after school clubs	£3586
Forest School provision	£375.00

Transport for sporting events	£775.00
Sports equipment	£48.86
Get set4PE subscription	£440.00
Sports equipment for playground contribution 21/22	2605.02
Sports equipment for playground carry forward 20/21	£4164.37
	TOTAL investment in high quality sports provision £20,484.37

Impact

The engagement of all pupils in regular physical activity- The school employed a Sports apprentice. This has led to additional support in PE sessions. The apprentice has also supported a Sports crew at lunchtimes and children have been encouraged to develop PE skills and team-work. Older children have encouraged younger children to take part in physical activities and games which has had an impact on social and emotional development. The apprentice has worked with staff to organise competitions, select teams, carry out risk assessments and organise transport.

The school employed two sports coaches throughout the year and a dance teacher during the Autumn term. This has enabled specialist support in PE sessions and professional development opportunities for staff. We have organised coaching to support areas of sport linked to upcoming competitions so that children have increased skills and confidence. This has also enabled the children to experience a wide range of sports. We have also purchased an affiliation to the specialist group Melton and Belvoir Sport. Through the affiliation the children have been encouraged to explore a broad range of physical activities including judo, balance bikes, rugby and gymnastics. This has encouraged children to take part in sports as a team and as individuals and to realise the benefits to their physical and mental health. The children are from a rural background and this offer has enabled all children to have an opportunity for high level coaching. We identified children who needed support and we focussed on their well-being.

Broad experience of a range of sports and activities offered to all pupils- We employed a sports provider for after school clubs in order to encourage children to take part in a more diverse range of sports including multi skills and football. After school sports clubs were offered to all key stages from EYFS to year 6. These proved very popular with many children requesting to attend. We supported SEND children in being able to attend with 1 to 1 support from the sports apprentice. We aim to increase attendance of disadvantaged children in the next academic year.

Increased participation in competitive sport- Increased participation in competitive sport- The affiliation with the specialist group Melton and Belvoir Sport has enabled children to access a number of sporting events organised by the group this year. We have attended many of these in teams mixed

with Croxton Kerrial CE Primary school children, which has provided opportunities to develop social skills and teamwork. Children have taken part in a wide range of competitive and non-competitive events and competitions for a range of year groups. Sports events in and out of school are always well supported by parents. Children have been commended for their teamwork, leadership and enthusiasm in competition.

Sporting Competitions 2021/22

Year 5/6 Boys football

Year 3/4 Girls football

Futsal tournament

Year 3/4 Boys football

Year 5/6 Dodgeball tournament

Year 5/6 Basketball tournament

Year 5/6 Tag Rugby tournament

Sports day – Whole School

School Christmas Play – all classes performed dances as part of the performance

Enrichment opportunities

Robyn Windsor (from Strictly Come Dancing) held dance workshops for all year groups.

Balance bikes EYFS

Melton Sport's Partnership Package providing access to running, fitness, orienteering, yoga, golf and fencing.

Belvoir CC Trust Cricket and countryside day

Swimming

Children across all year groups had weekly swimming lessons during the Summer term. Two teachers plus learning support assistants and family members help with supervision to the Leisure Centre in Melton Mowbray, where there are two pools for all abilities.

The children are taught by fully qualified swimming instructors. Children work towards specific targets. Competent swimmers are taught aspects of personal survival, whilst new swimmers are sensitively encouraged to feel safe in the water before learning correct strokes and water skills.

Meeting national curriculum requirements for swimming and water safety	2021-2022
Number of Year 6 cohort swim competently, confidently and proficiently over a distance of at least 25 metres	6/7
Number of Year 6 cohort who can use a range of strokes effectively (for example, front crawl, backstroke and breaststroke)	6/7
Number of Year 6 cohort who can perform safe self-rescue in different water-based situations?	6/7
Schools can choose to use the Primary PE and Sport Premium to provide additional provision for swimming but this must be for activity over and above the national curriculum requirements, but we haven't used it in this way to date.	NA
